

# Victoria

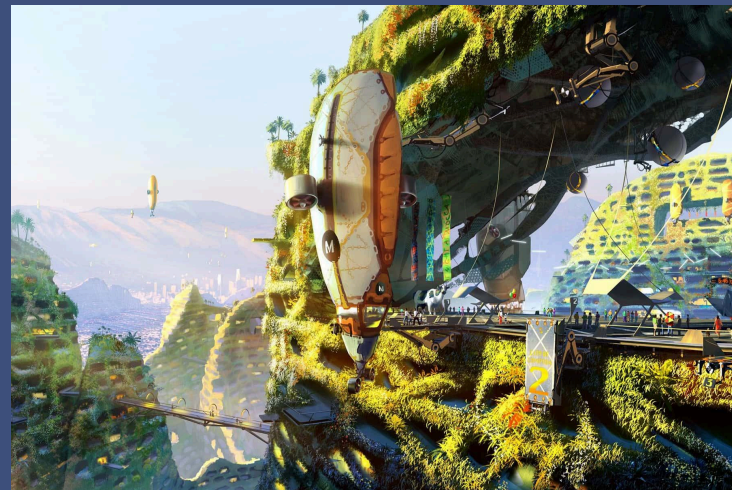

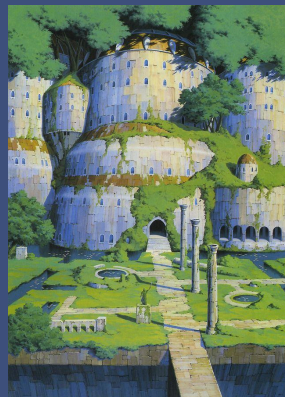

*This is how Victoria currently looks, floating houses will be more present in my story.*

# Solar Punk

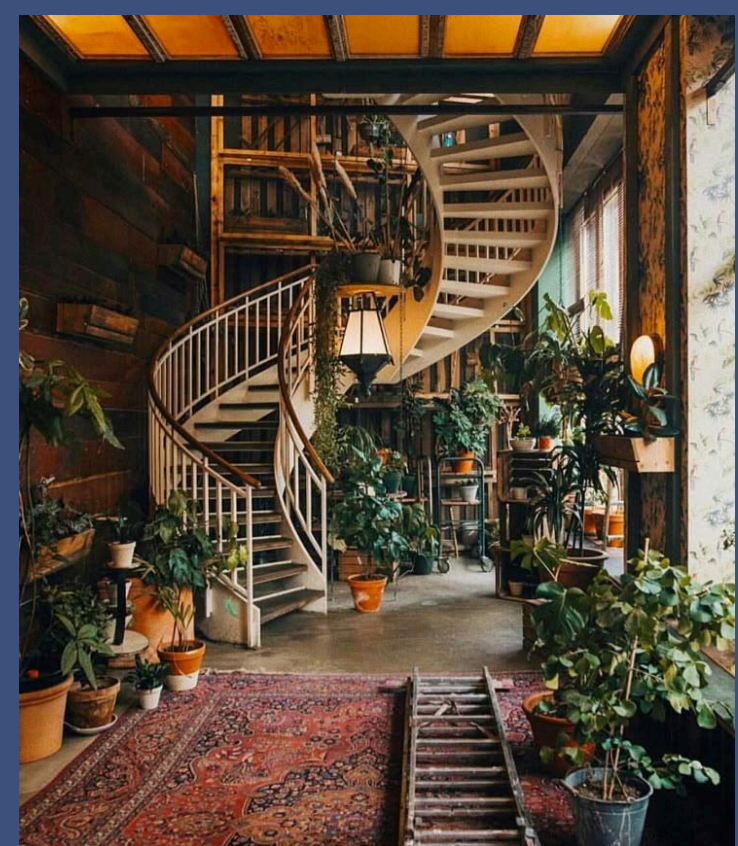

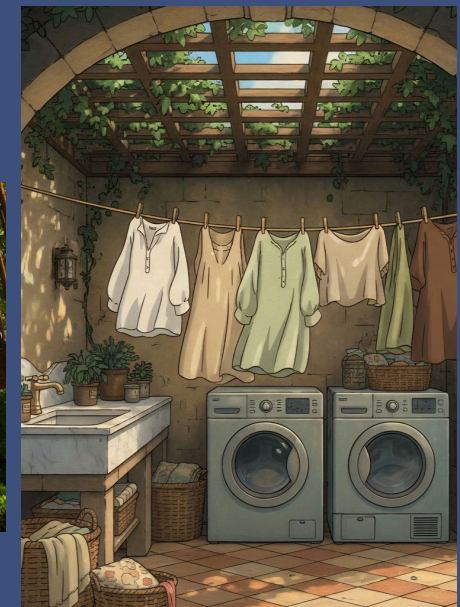

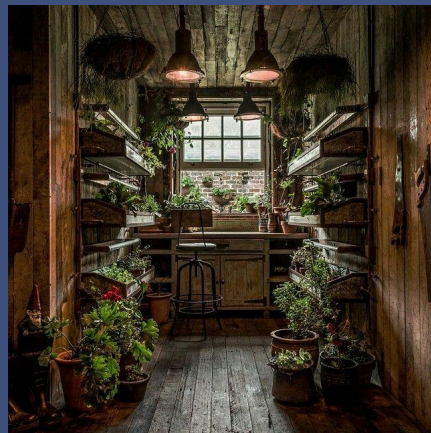

*Solarpunk is a genre and aesthetic that envisions collective futures that are vibrant with life, as well as all the actions, policies, and technologies that make them real. We are interested in science fiction, social movements, engineering, style, and anything that inspires a future society that is just and in harmony with its ecology.*

# Solar Punk Interior Design

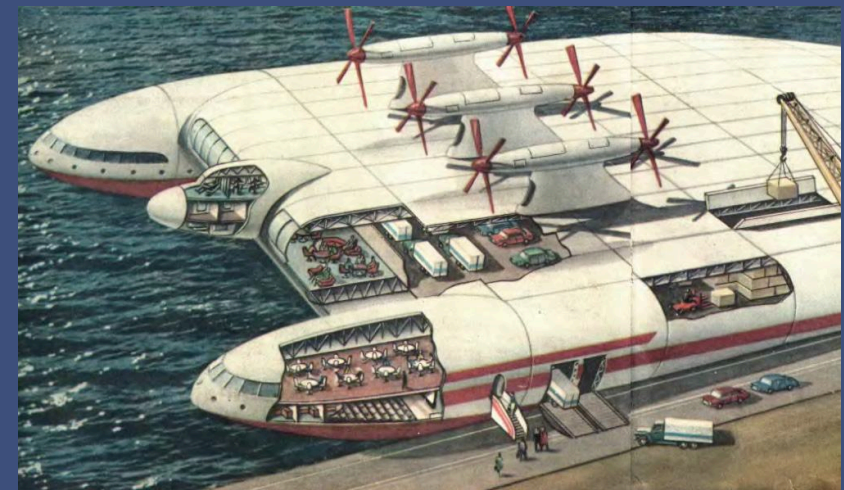

*These are inspiration to eventually make a logo and add details to costumes and accessories.*

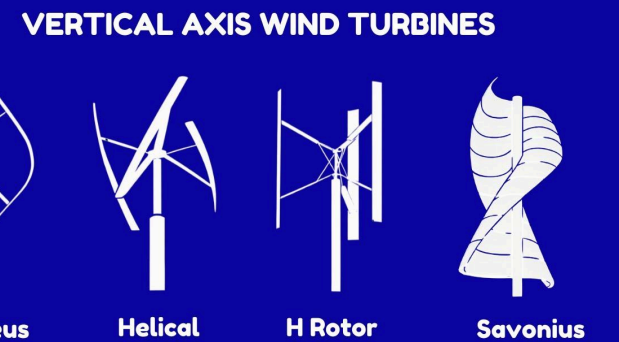

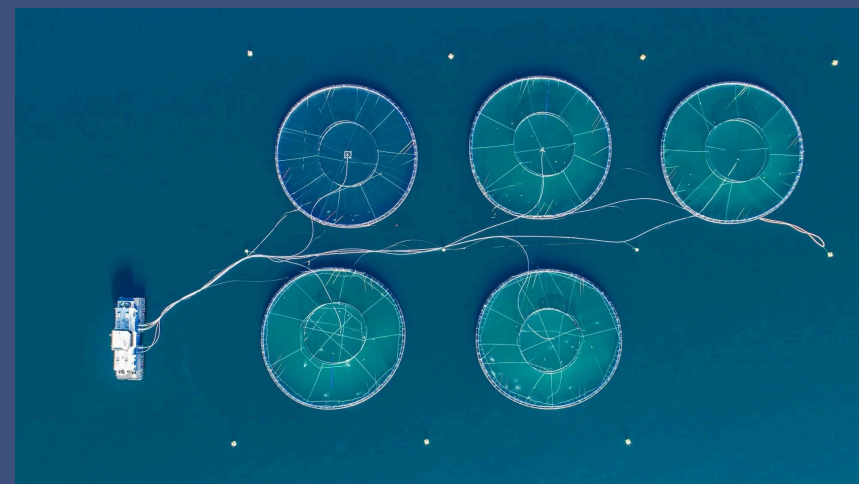

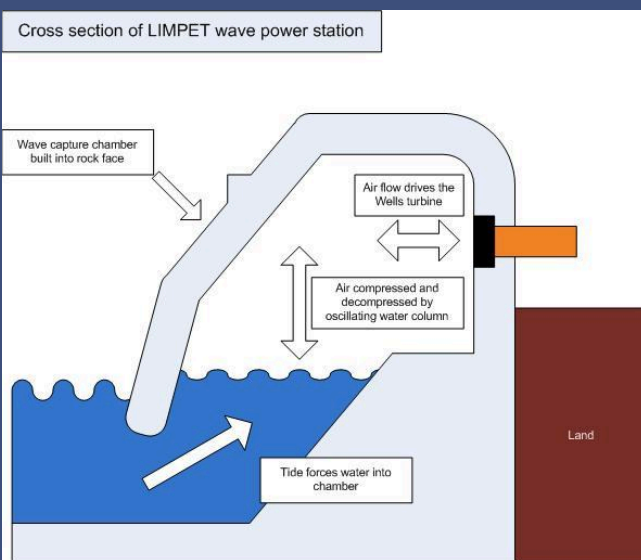

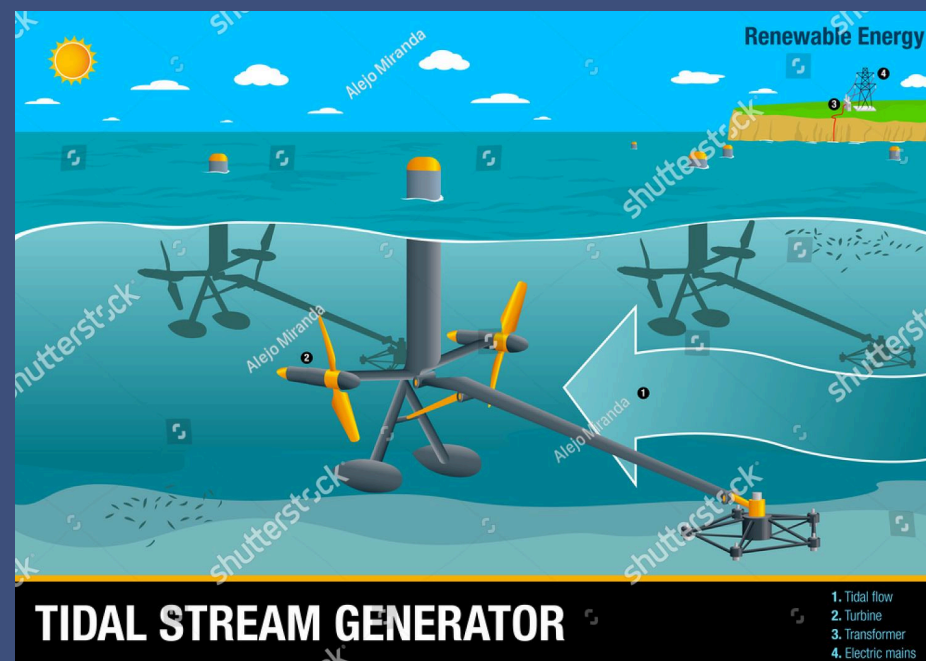

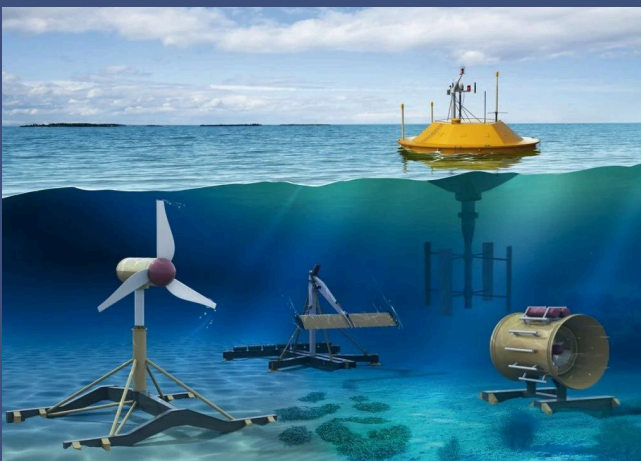

# Solar Punk Transportation

*Bikes, Solar-hybrid ships, blimps and trams on trains, very low or no cars*

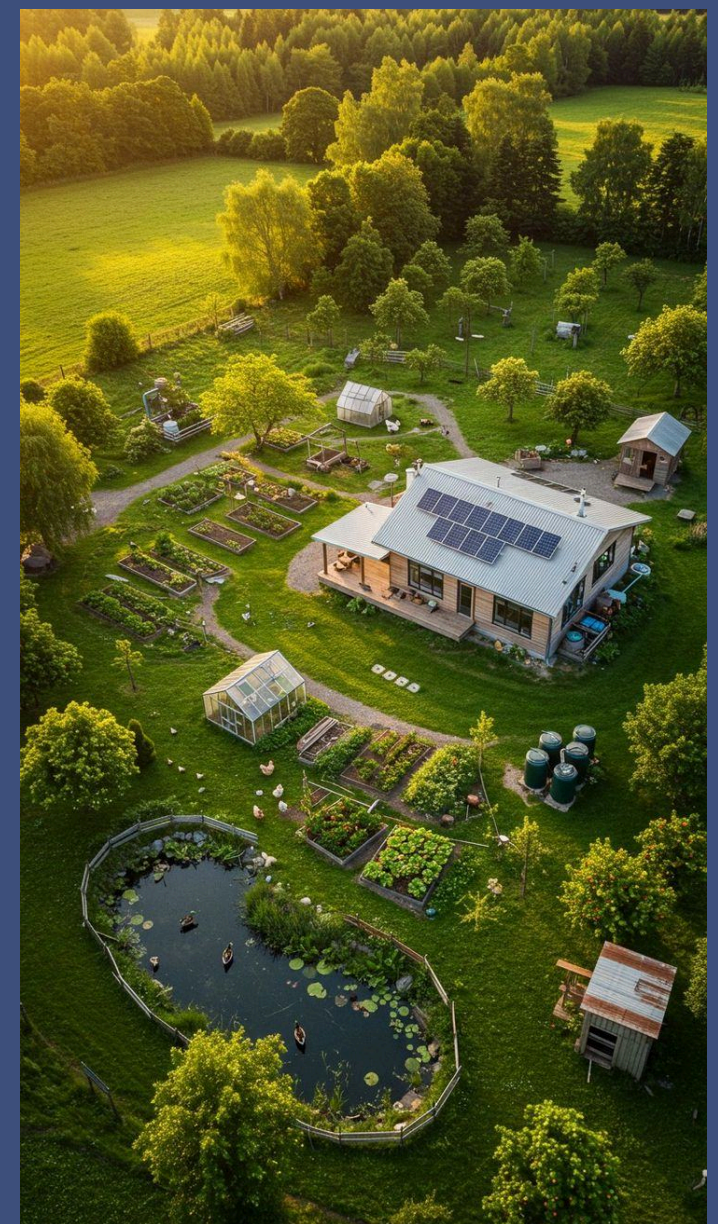

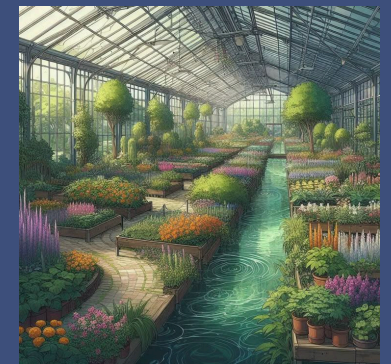

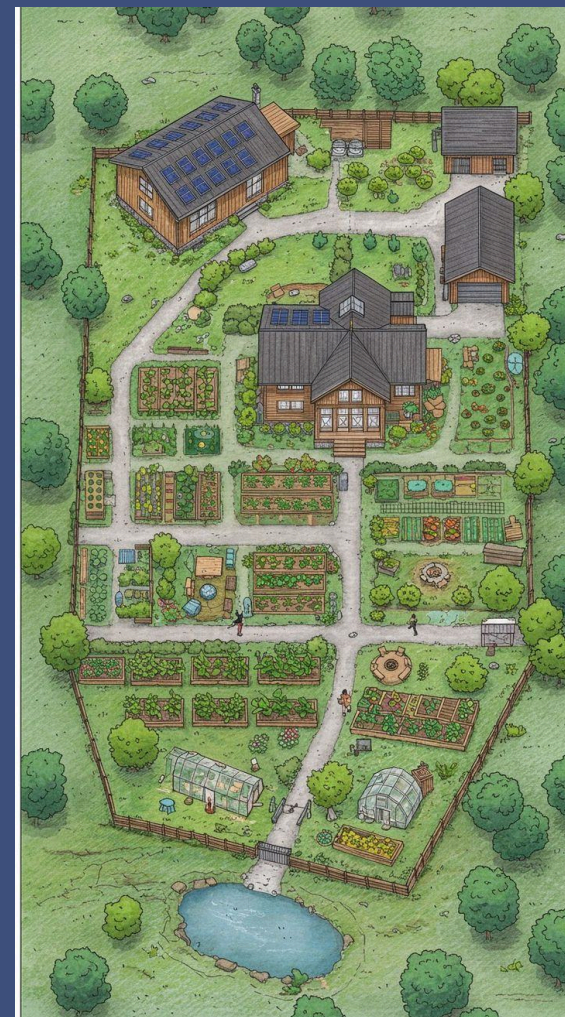

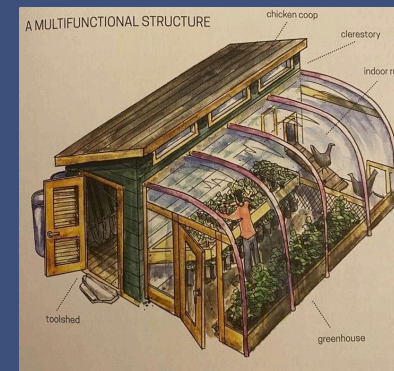

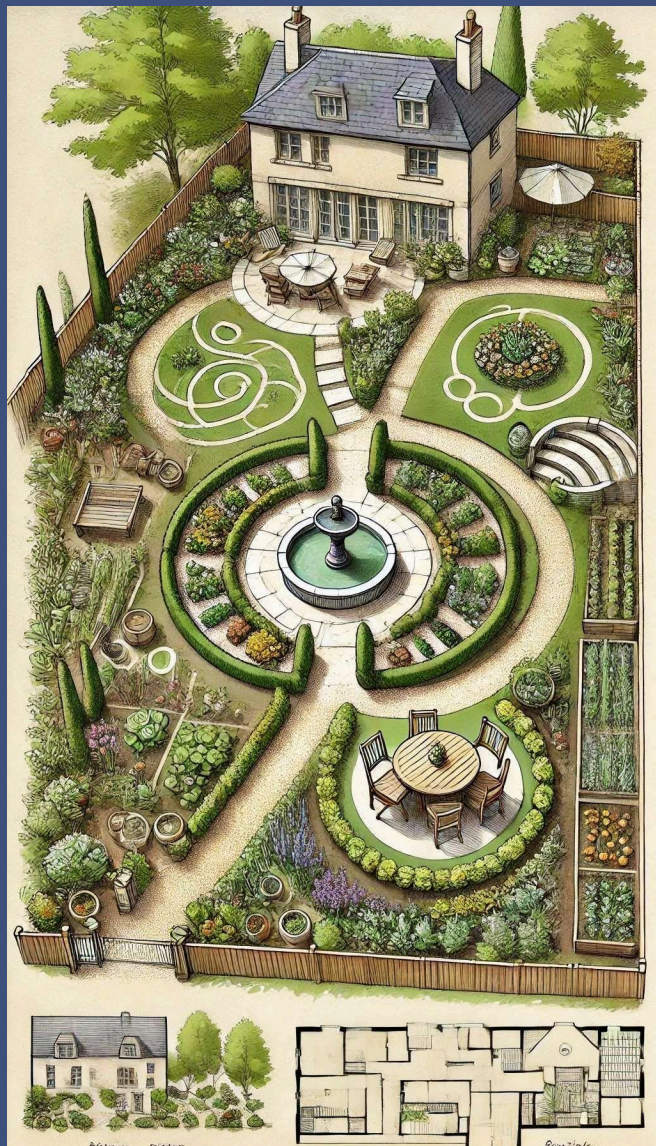

# Tech

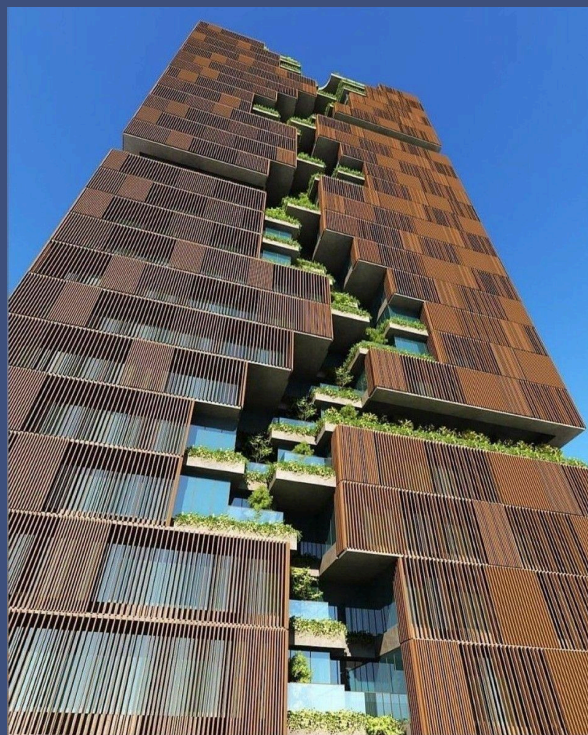

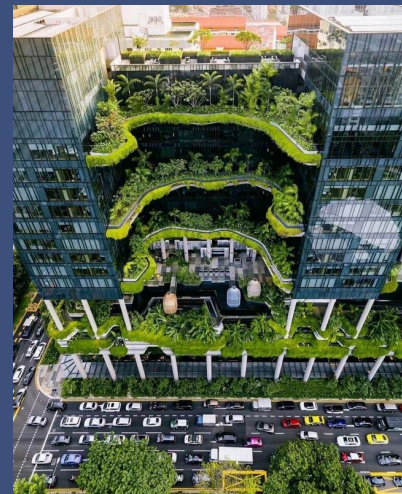

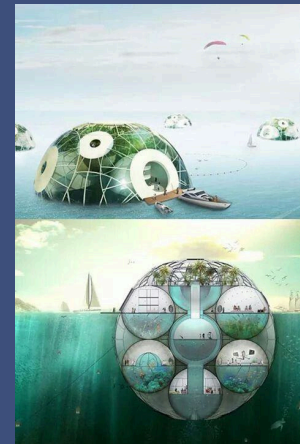

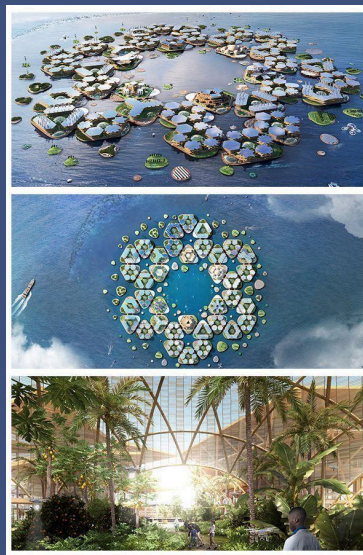

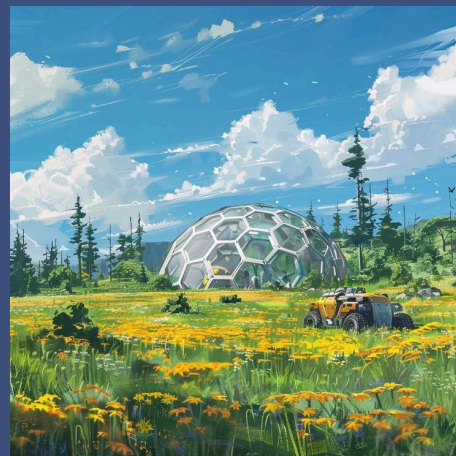

*Garden*

*Inspiration for Chronella's personal garden.*

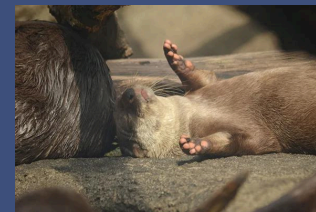

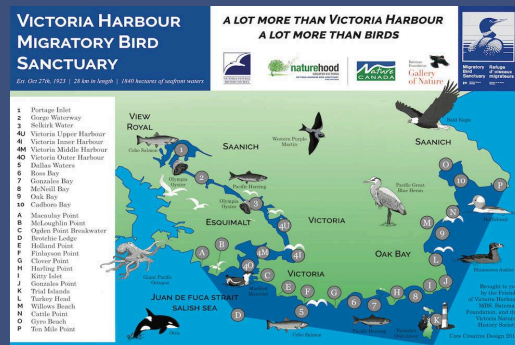

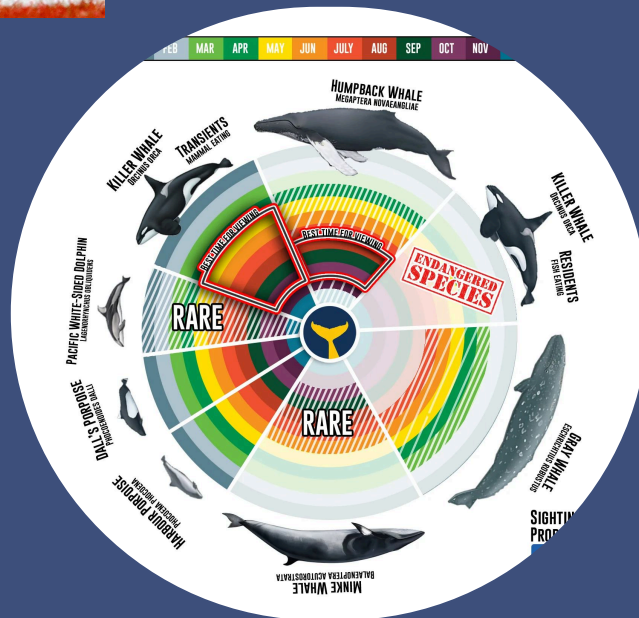

# Solar Punk Architecture

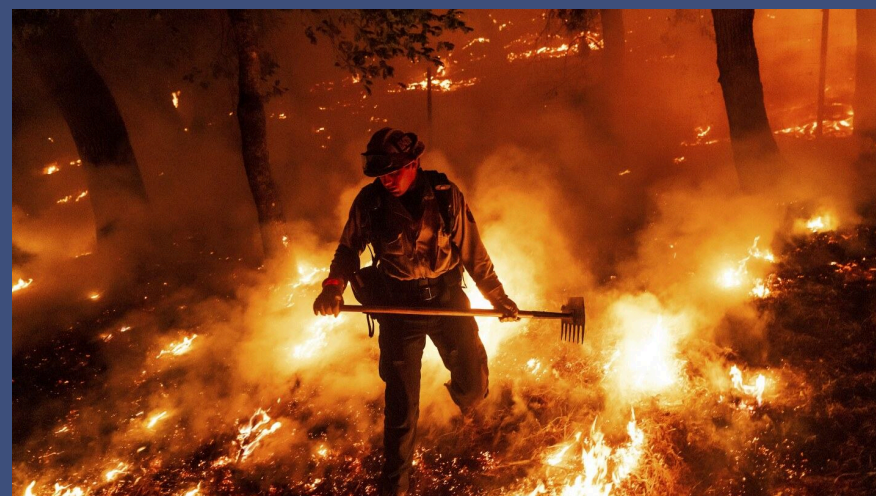

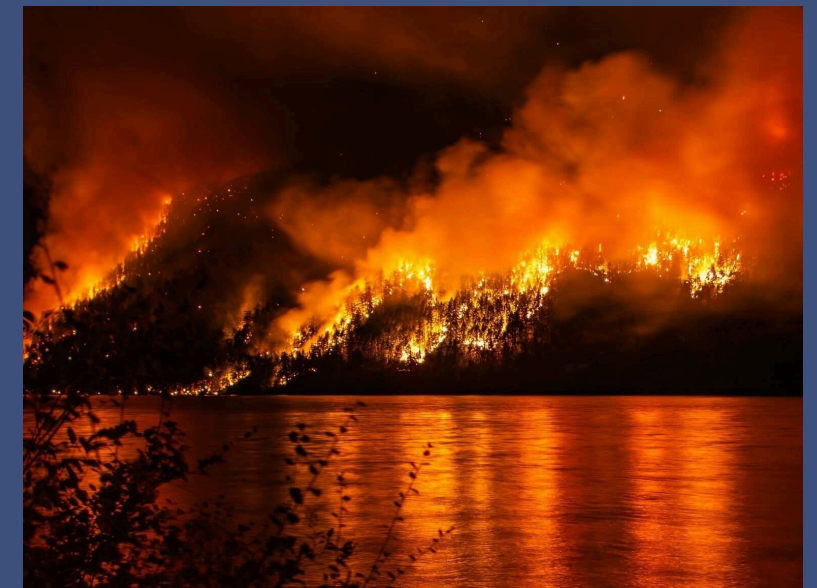

# Fauna

# Wildfires

*Important part of CHronella origin story and also part of life on Vancouver Island.*

# Space

*Her story begins in space with her scientific vessel and the alien fruit.*
